

# GBPSC Tactical Style Course

Course run and target order - 1/4/2023

## Course ready condition:

### Pistol:

Pistol is to be secured in the competitors holster after loading and making the blaster ready. Competitor is to stand upright in a semi relaxed stance(standing straight, legs not spread noticeably apart) with arms fully extended relaxed by their side.

### SMG/Rifle:

SMG/Rifle is placed on a small table in front of the competitor after loading and making the blaster ready. Competitor is to stand upright in a semi relaxed stance(standing straight, legs not spread noticeably apart) with arms fully extended relaxed by their side.

## Course run and target order.

Competitors will begin at The starting(first shooting) point and engage all targets on target 1(T1), engage all targets on targets 2 & 3(T2 & T3) before moving forward and engaging all targets on targets 4 & 5(T4 &T5). Competitors will then move to the final shooting point and engage targets 6, 7 & 8(T6, T7 & T8) Upon completed engagement of the final target, the competitor must loudly and clearly state either “done”, “complete” or “finished”. This will mark the end of the course run for that competitor and the commencement of scoring for their course run.
